ARTICLE 1. BOUNDARIES, POWERS, FORM OF GOVERNMENT, RIGHTS, LIABILITIES

Section 1. The inhabitants of the City of Bartlesville, in the State of Oklahoma, within the corporate limits as now established or as hereafter established in the manner provided by law, shall continue to be a municipal body politic and corporate, in perpetuity, under the same name and with the same boundaries, with power and authority to change its boundaries in the manner authorized by law.

Section 2. The City of Bartlesville, within the corporate limits as now established or as hereafter established in the manner provided by law, shall have perpetual succession, and shall succeed to, own, possess, and control all the books, records, documents, and the property, real, personal or mixed, together with all choses in action and claims, belonging to and possessed by the said city, prior to and at the time of the adoption of this Amended Charter. It shall be subject to, and liable for, all legal debts, obligations, judgments and bonds for which said city is bound at the time this Amended Charter shall become effective.

Section 3. The municipal government provided by this Amended Charter shall be known as a council-manager form of government. Pursuant to its provisions and subject only to the limitations imposed by law and by this Amended Charter, all powers of the city shall be vested in an elective city council, hereinafter referred to as "the council," which shall enact local legislation, adopt budgets, determine policies, and appoint such officers and employees as it may deem necessary or convenient for the execution and administration of the government of the city. All powers of the city shall be exercised in the manner prescribed by this Amended Charter, or if the manner be not prescribed, then in such manner as may be prescribed by ordinance.

Section 4. The city shall have the power to sue and to be sued, plead and be impleaded, intervene, prosecute and defend in all courts; and shall have the power to make contracts and to acquire property, by purchase or otherwise, necessary for the public good and own, hold, sell, lease, convey or otherwise dispose of any real or personal property within or outside of the city limits. It shall have the power within the limit prescribed by the State Constitution and laws to accept and administer Federal and State grants-in-aids as it may deem necessary or convenient to accomplish the purpose or purposes of which such grants may be made.

Section 5. The city shall have all the powers granted to municipal corporations and to cities by the Constitution and general laws of the State, not rendered inoperative by the adoption of this Amended Charter, with all the implied powers necessary to carry into execution all the powers granted. The city may acquire property within and without its corporate limits for any city purpose, in fee simple or any lesser interest or estate, by purchase, gift, devise, lease, or condemnation, and may sell, lease,

mortgage, hold, manage and control such property as its interests may require; and, except as prohibited by the Constitution of this State or restricted by this Amended Charter, the city shall and may exercise all municipal powers, functions, rights, privileges, and immunities of every name and nature whatsoever. The enumeration of particular powers by this Amended Charter shall not be deemed to be exclusive or limiting and in addition to the powers enumerated herein or implied hereby, or appropriate to the exercise of such powers, it is intended that the city have and may exercise all powers which, under the Constitution of this State, it would be competent for this Amended Charter specifically to enumerate. The city shall have legislative, executive, and judicial power necessarily incident to, or proper in, the conduct of its business and affairs, and such as will promote the interests and secure the rights of its inhabitants, as fully as if specifically enumerated herein. The enumeration of any particular powers shall in no wise limit the plenary powers above provided for said city. No law relating to cities of the first class hereafter enacted by the State of Oklahoma, shall operate as a repeal, diminution or limitation of the powers conferred upon the city by this Amended Charter.

ARTICLE 2. ELECTIVE OFFICERS, CITY COUNCIL

Section 1. Except as otherwise provided in this Amended Charter, all powers of the city and the determination of all matters of policy shall be vested in the city council, subject to distribution and delegation of all such powers as may be provided in this Amended Charter. - (a) Appoint and remove persons to those positions enumerated in Article 2, Section 5 to which the

power of appointment and removal is vested in the City Council.

- (i) Adopt a corporate seal and alter it at pleasure.

Section 2. The council shall consist of five members, one council member from each of the five wards of the city. The terms of the members will be two years. For the purpose of transitioning from the prior elected terms of four years to terms of two years, elections will be held for all wards on April 5, 2011, with the term to start on the first Monday of May, 2011, and the term of office for each ward will end when the new council is sworn in on the first Monday in December of 2012. The first election for city council members for two year terms will be in November of 2012, with the members to be sworn in on the first Monday in December following the election. However, in the event that the Governor does not approve this Amended Charter in time to call for an election for all wards to be held in April of 2011, elections will be held in April of 2011 for wards 1, 3 and 5, with the terms to start on the first Monday of May, 2011, and the terms of office for these wards will end on the first Monday of December, 2012, and the terms of office for members from wards 2 and 4 will end on the first Monday in December, 2012. The council members shall be qualified electors of the city for six months prior to the first day of the filing period and each council member must be a qualified resident of his respective ward for six months prior to the first day of the filing period. Each Council member's primary residence shall be located in his ward and must remain so throughout the tenure of office. For the purpose of this section, primary residence shall mean the place

where the council member actually resides for the majority of each calendar year and the address listed by the council member as his abode for purposes of reporting to State and Federal agencies and which would qualify for a "homestead exemption" of the property if the property is owned by the council member. If a council member ceases to be a resident of the ward in which elected to represent, he shall thereupon cease to be a member of the council. A council member must have a record free of felony convictions. A council member must be at least twenty-five (25) years of age at the time of his election to office. No council member may hold any position in the city government by appointment of the city manager. A member of the city council shall hold no other public office which would constitute a conflict of interest according to State Statutes. (This section amended by vote of the electorate on April 2, 2024.)

Section 3. The number of wards of the city shall not be changed except by amendment of the Charter; but whenever it shall appear to the city council that it is to the best interest of the city to change either the boundary or name, or both the boundary and the name, of any ward or wards of the city, the city council may, by a vote of two-thirds of its members, order and cause the same to be done. Provided, that no such change shall be made until notice of the proposed change shall be given thirty days thereto, by inserting a notice of such proposal at least one time in a newspaper published in the city. Provided, that if and when a petition shall be presented to the council, signed by fifty-five percent of the qualified electors of the city, as shown by the preceding general municipal election, praying for a change in the name, number, or boundary of wards of the city, the council shall, within ten days after the filing of such petition, change such wards to conform to the prayer of the petition, but no such

change shall take effect, except for election purposes, until after the next general election and until the installation of officers.

Section 4. The council members, before entering upon the discharge of the duties of their respective offices, shall each take and subscribe the oath of office prescribed by the Constitution of the State of Oklahoma, and such additional oath as may be prescribed by the city council.

Section 5. The city council shall appoint from among its members a mayor and a vice-mayor, requiring three affirmative votes, who each shall serve terms of two years. The mayor or vice mayor may be removed from their respective positions by three affirmative votes. The mayor shall preside at meetings of the council and shall certify to the correct enrollment of all ordinances and resolutions passed by it. He shall be recognized as head of the city government for all ceremonial purposes and by the governor for purposes of military law. He shall have no regular administrative duties except that he shall sign all warrants, checks, or other orders for the disbursement of money, conveyances, and such other written obligations of the city as the council may require. The vice-mayor shall act as mayor during the absence or disability of the mayor, and if a vacancy occurs, shall become mayor for the completion of the unexpired term. If, by succession to the office of mayor or otherwise, the office of vice-mayor becomes vacant, the council shall appoint another vice-mayor by three affirmative votes. The rights, responsibilities, authority and powers of the mayor and vice mayor are restricted to what the Amended Charter specifically delineates to the position of mayor and vice mayor. However, they shall have all of the rights, responsibilities, authority and powers as any other duly elected representative of any ward.

Section 6. If a vacancy shall occur in the office of any council member the council shall appoint an eligible person to fill the vacancy until the next general municipal election, subject, as are other council members, to recall. A vacancy shall exist when an elective officer fails to qualify within thirty days after notice of his election, dies, resigns, moves from the ward elected from, unless subject to the grandfather provision set forth in Section 2 hereof, absents himself continuously for three months, except on account of sickness, is convicted of a felony, is adjudged mentally incompetent, or shall be recalled under the provisions of this Amended Charter or may be removed pursuant to State law.

Section 7. The council shall hold regular meetings on the first Monday of each month, and at such other time or times as the council may, by ordinance, designate, and may hold such adjourned meetings as it may find necessary or convenient for the dispatch of its business; provided, that if a regular meeting falls on a legal holiday the meeting shall be held on the next succeeding day. Special meetings of the council may be called by the mayor, or by three council members, at any time, on such notice as required by State law. (This section amended by vote of the electorate on April 2, 2024.)

Section 8. The council shall sit with open doors at all legislative sessions and shall keep a journal of all its proceedings, which shall be a public record.

Section 9. Within sixty (60) days of the approval of the Amended Charter by the Governor, meeting rules of procedure will be adopted by the city council. They will remain in effect until modified by the city council. Each city council elected in successor years will undertake a review of the rules of procedure to determine whether changes or additions are warranted. In addition, within sixty (60) days of the approval of the

Amended Charter by the Governor, the city council shall adopt rules regarding the process to be followed for appointment, replacement and removal of members to all commissions, board and trusts covered by the provisions of Article 2, Section 1 of the Amended Charter, which process will remain in effect until modified by the city council. Each city council elected in successor years will undertake of review of the procedures to determine whether changes are appropriate.

Section 10. A majority of the members of the council shall constitute a quorum for the transaction of business.

Section 11. The council members shall receive no salary but shall be paid an attendance fee of ten dollars for each meeting of the council attended; but in no event shall payment be made for more than four meetings of the council during any one calendar month.

Section 12. The terms of office of a newly elected city council shall begin at 12:01 o'clock a.m., on the first Monday of the month following each election and they shall hold their first meeting and be inducted into office as soon thereafter as may be possible. (This section amended by vote of the electorate on April 2, 2024.)

Section 13. Within sixty (60) days of the approval of the Amended Charter by the Governor, the city council will be charged to develop and adopt a Code of Ethics applicable to all elected officials, employees and Board members which will remain in effect until modified by the city council. Each city council elected in successor years will undertake a review of the Code of Ethics to determine whether any changes are appropriate.

ARTICLE 3. NOMINATION AND ELECTIONS

Section 1. Beginning in November of 2012, and for each two years thereafter, a general election will be called in November per the Election Board in even numbered years, in accordance with the laws of the State of Oklahoma in force at the time of holding such elections.

Section 2. All city elections shall be conducted on a nonpartisan basis. No declaration of candidacy or ballot shall contain any party emblem, sign or designation, and there shall be nothing thereon to indicate any affiliation of the candidate.

Section 3. The provisions of the State Constitution and law relating to elections shall govern every election of whatever kind of this city insofar as they are applicable and are not superseded by this Amended Charter or by ordinance.

Section 4. The qualifications for electors in every election of this city shall be those prescribed by the State Constitution and law.

Section 5. The council members who are to be from each of the five (5) wards of the city as required by Article 2, Section 2 of the Charter, shall be elected at the general election by wards, each council member to be elected by the registered voters in the ward in which he or she resides.

ARTICLE 4. RECALL OF ELECTIVE OFFICERS

Section 1. Every incumbent of an elective office, whether elected by popular vote or appointed to fill a vacancy, may be removed from office for any cause specified by applicable State law for the removal of officers and by the method or methods prescribed thereby. In addition, he is subject to removal by recall by the voters of the city. The procedure to affect such removal from office by recall shall be as follows:

Section 2. A verified petition, signed by a number of qualified electors equal to twenty per cent of the registered voters in the ward of the city council member sought to be recalled at the time the petition is filed, shall be submitted to city clerk, along with a show cause statement of 200 words or less, demanding the removal of one or more of such elective officers. It shall be the duty of the city clerk, upon receipt of a petition for recall, to send a copy of the petition, along with all signature pages, to the city council member sought to be recalled by registered mail. The city clerk shall have ten (10) working days in which to ascertain whether the petition has been prepared and circulated as required and whether the required number of qualified voters have signed the petition for recall. The city clerk shall notify the mayor, in writing, whether the petition for recall meets the criteria set forth herein. Upon being informed by the city clerk that the petition for recall meets the criteria set forth above, it shall be the duty of the mayor of the city, within ten days thereafter, to issue a proclamation calling a special election, for the purpose of such recall only, setting forth the question to be voted upon at such election, in a newspaper published and of general circulation within the city. Such election shall be called at the next available election date in conformance with State law. In case of petition of the mayor, the election shall be called by the vice-mayor. After calling of such election, the said petition shall remain in the office of the city clerk. The signatures to such petition need not all be appended to one paper, but each signatory shall add to his signature his place of residence, giving the street and number if any, or if not numbered, the number of lot and block. Some qualified voter who signs such petition shall make oath before an officer competent to administer oaths that the statements made in such petition are true, and some qualified voter who signs such petition shall make

oath to each paper containing signatures that each signature appended to such paper is the genuine signature of the person whose name purports to be thereto subscribed. The city council may impose a monetary penalty against the person or persons circulating the petition upon a determination that the names of unqualified electors have been knowingly attached to the petition, such monetary penalty equal to all cost incurred by the city in attempting to validate the petition for recall, including attorney fees.

Section 3. The form of ballot at such special election shall be as follows:

Recall of Elective Officers Shall (name of officer) be removed from office of (name of office)?

YES

NO

The voter who desires to vote for the removal of the officer shall stamp in the square to the left of the word "YES." The voter who desires to vote for the retention in office of the officer shall stamp in the square to the left of the word "NO."

If a simple majority of the duly qualified electors voting at such election shall vote "YES," the officer shall be deemed removed and his office vacated. If a simple majority of such electors shall vote "NO," such officer shall continue to serve as such. Upon successful removal, the city council will appoint a replacement for the seat for the remainder of the term vacated subject to all other terms of this Amended Charter. Any replacement must be a qualified elector of the respective ward at the time of appointment.

Section 4. Such special election shall in all respects be conducted, returned, and the result thereof declared as provided by the Constitution and laws of the State of Oklahoma in force at the time of such election.

Section 5. No recall petition shall be filed against any officer until he shall have held his office for at least four months; nor within six months after an election has been held upon a previous petition for recall of the same officer.

Section 6. No person who has been recalled from an office, or who has resigned from such office while recall proceedings were pending against him, shall be appointed to an office or employment of the city within one year after such recall or resignation.

The method of removal by recall is cumulative and not exclusive.

ARTICLE 5. APPOINTIVE OFFICERS

Section 1. The city council shall appoint and may remove a city attorney, a city treasurer, a city manager, a municipal judge and such subordinate personnel as may be authorized from time to time to assist the city council in performing its duties as outlined in this Amended Charter. The powers and duties of appointive officers shall be provided by this Amended Charter, or as may, from time to time, be prescribed by ordinance. The compensation of all appointive officers shall be such as may, from time to time, be fixed by the city council.

Section 5. Nothing in this section shall prevent the city council from appointing the city clerk or finance director to fill this position. In that event, the city clerk or finance director will continue to report to the city manager in the day to day performance of the duties of that position and will report to the city council in connection with the performance of his duties as city treasurer.

Section 6. The city council shall appoint a qualified individual licensed to practice law by the Supreme Court of the State of Oklahoma who shall have the title of city attorney. He shall be the head of the department of law.

Section 7. He shall be the chief legal advisor to the council and all offices, departments and agencies, and of all officers and employees in matters relating to their official powers and duties. He shall represent the city in all legal proceedings. It shall be his duty to perform all services incident to his position as may be required by statute, by this amended Charter, or by ordinance.

Section 8. The city council shall appoint a qualified individual who shall have the title of city manager, who shall have the powers and perform the duties as set forth in the Amended Charter or by ordinance or as may be required by law. No member of the

council shall receive such appointment during the term for which he shall have been elected, nor within one year after the expiration of such term.

Section 9. The city council shall appoint the city manager for an indefinite term, and may remove him by a majority vote of its members.

Section 10. Neither the city council nor any of its members shall direct or request the appointment of any person to, or his removal from, office by the city manager, or by any of his subordinates, or in any manner take part in the appointment or removal of officers and employees in the administrative service of the city. Except for the purpose of inquiry, the city council and its members shall deal with the administrative service solely through the city manager, and neither the council nor any member thereof shall give orders to any subordinates of the city manager, either publicly or privately. The city manager may determine the proper method of interaction and communication between the city council and staff and shall notify the city council of the same, in writing. Any member of the council violating the provisions of this section, or voting for a resolution or ordinance in violation of this section, shall be subject to public censure or reprimand by the city council. This section shall not be deemed to preclude the right of recall by the citizens or the removal from office as provided by applicable State law for the removal of municipal officers.

Section 11. The city manager shall be chosen by the council solely on the basis of his executive and administrative qualifications, with special reference to his actual experience in, or his knowledge of, accepted practice in respect to the duties of his office as hereinafter set forth. At the time of his appointment, he need not be a resident of the city or State, but during his

tenure of office he shall reside within 10 miles of the city limits.

Section 12. The city manager shall be the chief administrative officer of the city, and head of the administrative branch of the city government. He shall execute the laws and administer the government of the city. He shall be responsible to the city council for the proper administration of the affairs of the city, and, to that end, subject to the personnel provisions of this Amended Charter, he shall have power and shall be required to:

- (a) Appoint and, when necessary for the good of the service, remove all administrative officers and employees of the city, except as otherwise provided by this Amended Charter.

- (d) Keep the council advised of the financial condition and future needs of the city, and make such recommendations as may seem to him desirable.
- (e) Supervise and control all administrative departments and personnel.
- (f) Perform such other duties as may be prescribed by this Amended Charter, or required of him by the council, not inconsistent with this Amended Charter.

Section 13. The administrative departments of the city shall be as

established or eliminated by the city council unless otherwise precluded by the Amended Charter and as may be required by law.

Section 14. The work of each administrative department may be distributed among such divisions thereof as may be established by ordinance upon recommendation of the city manager. Pending the passage of an ordinance or ordinances distributing the work of departments under the supervision and control of the city manager among specific divisions thereof, the city manager may establish temporary divisions.

Section 15. To perform his duties during his temporary absence or disability, the city manager, by letter filed with the city clerk, will appoint a qualified administrative officer of the city to be acting city manager. If the city manager fails to make such designation, if the council suspends the city manager, or if there is a vacancy in the office of city manager, the council may appoint an acting city manager to serve until the city manager returns, until his disability or suspension ceases, or until it appoints another city manager, as the case may be.

CITY CLERK

Section 16. The city manager shall appoint for an indefinite term a city clerk, who shall be clerk of the city council. The city clerk shall keep a journal of the proceedings of the council; shall enroll in a book or books kept for the purpose all ordinances and resolutions passed by the council; shall, with the mayor, sign and attest all ordinances, resolutions, contracts, and other instruments or matters requiring the assent of the city, when so authorized by the council; and shall perform such other duties as the council may, from time to time, prescribe. The city clerk may appoint deputies to act for him. Nothing in this section prevents the city manager from appointing the city treasurer or finance

director to fill this position. If the city treasurer is appointed to this position, he shall report to the city manager regarding the performance of his day to day duties as city clerk and shall report to the city council in connection with the performance of his duties as city treasurer.

FINANCE DIRECTOR

Section 17. The city manager shall appoint for an indefinite time a finance director, who shall be the head of the department of finance; shall collect or receive all moneys and revenues receivable by the city, and shall deposit the same daily with the city treasurer in an account or accounts maintained by the city treasurer in a depository or depositories approved by the Council. The finance director shall maintain a general accounting system for the city government; shall sign all checks and be responsible for the disbursement of all money; shall determine the regularity and correctness of all bills, invoices, payrolls and other evidences of claims, demands or charges against the city government and audit and approve them before payment. Nothing in this section prevents the city manager from appointing the city treasurer or city clerk to fill this position. If the city manager appoints the city treasurer to fill this position, the city treasurer will report to the city manager in the day to day performance of his duties as finance director and will report to the city council in connection with the performance of his duties as city treasurer.

MUNICIPAL JUDGE

Section 18. The city council shall appoint a municipal judge for an indefinite term. The council may suspend or remove the municipal judge or acting municipal judge at any time by majority vote of all its members. The municipal judge shall have original jurisdiction to hear and determine all cases involving offenses against the

ordinances of the city; provided that the council may, by ordinance, create a minor violations bureau with authority to dispose of cases arising out of designated minor violations, such as minor traffic and parking violations, on request of accused persons who desire to plead guilty, who are able and willing to pay fines and costs, and who do plead guilty and pay fines and costs. The city clerk shall keep a record of all proceedings of the municipal court, of the disposition of all cases, and of all fines and other money collected. The style of all processes shall be in the name of the city. The municipal judge may administer oaths and make and enforce all proper orders, rules and judgments. The council may, by ordinance or resolution, authorize or require that the municipal judge shall, at the same time, hold other office or employment in the service of the city, but he may not be a council member or a policeman. The city council shall choose him solely on the basis of his qualification to serve as municipal judge.

Section 19. To perform the duties of the municipal judge during his temporary absence, disability, disqualification, or suspension, the city manager shall designate a qualified person, from time to time as the need arises, to be acting municipal judge until the municipal judge returns or until his disability, disqualification or suspension ceases; or the city manager shall designate such a person substitute municipal judge to be acting municipal judge at all such times until the municipal judge returns or until his disability, disqualification or suspension ceases.

Section 20. The municipal court shall have jurisdiction to hear and determine all offenses against the Amended Charter or ordinances of the city.

ARTICLE 6. APPOINTMENTS AND PROMOTIONS

Section 1. Appointments and promotions in the service of the city shall be made solely on the basis of merit and fitness, and removals and demotions shall be made solely for the good of the service. Better to achieve these ends, the council may, by ordinance, establish a department of personnel with a director of personnel at its head, and may establish a merit system and provide for its proper organization and functioning, and for proper personnel administration. In the event a department of personnel is established, the merit and fitness of persons for appointment or promotion in the classified service, shall be ascertained by competitive examinations as far as practicable; and the council may, by ordinance, prescribe the powers and duties of the director of personnel, provide for the classification of the service, regulate the demotion, suspension, or removal of officers and employees in the classified service, and otherwise provide for the proper organization and functioning of the department and personnel administration. The following shall be in the unclassified service: all elective officers, city attorney, city manager, and the municipal judge.

Section 2. Neither the city council, the city manager, nor any other authority of the city government may appoint or elect any person related to any council member, the city manager, or himself, or, in the case of plural authority, to one of its members, by blood or marriage within the third degree, to any office or position of profit in the city government; provided, however, the city manager may appoint himself, or the city council may appoint or elect him, to other offices and positions in the city government, subject to regulations adopted by ordinance, but he may not receive compensation for service in such other offices or positions.

Except as may be otherwise provided by this Amended Charter or by ordinance, the same person may hold more than one office or position of employment in the service of the city.

Section 3. The city manager or other appointing or electing authority of the city at any time may, for the good of the service, suspend or remove any officer or employee whom he or the other appointing or electing authority respectively may appoint, except as otherwise provided by, or in accordance with, this Amended Charter.

Section 4. The council may, by ordinance, provide for a deputy to act in such cases.

ARTICLE 7. INITIATIVE AND REFERENDUM

Section 1. The powers of initiative and referendum are reserved to the qualified electors in this city with reference to all legislative authority which the city may exercise in accordance with the provisions of the State Constitution. Upon being advised that the petition meets the criteria of this Amended Charter and the State Constitution, the mayor, within ten days thereof, shall issue a proclamation calling a special election for the purpose of initiative or referendum only, setting forth the question to be voted upon in said election and cause the same to be published in a newspaper of general circulation within the city. The election shall be at the next available election date in conformance with State law.

Section 3. No grant, extension, or renewal of any franchise or other use of the streets, alleys, or other public grounds or ways of the city shall divest the city or its right of control and regulation of such use and enjoyment of such streets, alleys, public grounds or ways, nor shall the power to regulate the charges for public service be surrendered, nor shall any exclusive franchise ever be granted by the city.

Section 6. No appointed officer or employee of the city shall give or promise to give to any other person, any portion of his compensation or any money or valuable thing or promise of employment to any person, in consideration of having been appointed to any office or employment, and if any such promise or gift be made, the person making or accepting such gift or promise shall forfeit his office or employment and be debarred and disqualified from being appointed or employed in the service of said city.

Section 8. No member of the city council, nor any appointive officer or any employee of the city, shall be directly or indirectly in the employ of any person, company, or corporation holding or seeking to hold any franchise of the City of Bartlesville, or shall receive, directly or indirectly, any wages, commission, gift or favor, or payment from any such franchise holder.

In case said taxpayers are not successful in such action, they shall pay all costs. In no event shall the city ever be liable for the payment of such costs. This provision shall be the exclusive procedure available to taxpayers seeking to bring a qui tam action against any city officer or employee.
